Witness *W S Adams*

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to
the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental
defect, which would, in any way, disqualify him from performing the duties of a soldier.

Examined and Subscribed

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, *Able Candill*
previous to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment
and belief, he is of lawful age, and that, in accepting him as duly qualified to perform the duties of an able-
bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has
Dark eyes. Dark hair. Med complexion, is 5 feet 9 inches high.

SPECIAL ORDERS,

No. 156

"EXTRACT."

Leave of Absence is hereby granted the following named officers, for the number of days, and for the reasons, set opposite their respective names:

1st Lieut. John C. Smith 10 days

The following extracts from Regulations and General Orders, relative to Leaves of Absence, will be strictly observed:

- When not otherwise specified, leaves of absence will commence the day an officer is relieved from duty at his post, after receiving the order granting him leave.
- At the expiration of his leave, the officer must report in person with his command, and not at the office from which his leave issued.
- No officer is permitted to visit Washington without special permission of the Secretary of War, which must be stated in the order granting leave of absence.
- If an officer be not able to travel at the expiration of his sick leave, he must report his address to the commander of his post, regiment or corps, and also to the Adjutant General of the Army; and in his first report state the day when his leave of absence commenced. These reports must be repeated every twenty days, and each one must be accompanied by the certificate of a medical officer of the army, made in the usual form and stating that the officer is not able to travel. If there is no army physician in the place where the officer resides, the certificate of a civilian physician, the truth of which must be sworn to before a civil magistrate, may be substituted. Extensions of leave are not granted in orders.
- Officers absent from duty without leave, or beyond the time of their leave, will not be allowed to draw pay until a court or commission, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence. They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper medical authority, as required by existing orders and regulations.
- And be it further enacted, That any officer absent from duty without leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, and no more; and any officer absent without leave shall, in addition to the penalties prescribed by law or court martial, forfeit all pay and allowances during such absence.

H. Regt of 13 Mt. Infy

VOLUNTEERS.

Dec. 28 - 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment cashed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier's account on the muster roll upon which full understanding of the Soldier's account is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls. and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

Has Coffey Private

45th Regt of N.Y. Inftry

VOLUNTEERS. *D*

(Died April 10. 1864.)

NOTE 1.—Two of three certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant must be entered on the muster roll on which the discharge, death, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF

Pvt Edmund Lundy

45 Reg't of Ky Mts

VOLUNTEERS.

Died June 9. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier's account on the muster roll upon which full understanding of the Soldier's account is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be returned on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Affidavit of
E. C. Rice is the
case of P. H. Conley
45. Ky. 606

City of Louisville B.S.
County of Jefferson

I Edward C. Mice state that I was the
First Sergeant of Co. E. 45th Ky. Vol. Inf. Inf.
of which Wm. Couley was a private soldier.
That on or about the 9th day of October 1863.
while we were on the first Daulton raid
said Wm. Couley at was missing, and as he had
been sick ~~also~~ we thought him either captured
or that he had fallen behind, and been picked up
by the Rebel Bushwhackers. I saw no more of
said Wm. Couley until he reported to me about the
first of January 1866, at Leesville Ky. I
reported him to Capt. Dawson, and as we were
mustered out of the service we could not do any-
thing for him as we had no authority. I reported
him by letter to Col. Bidell, and shortly afterwards
I received a letter from Capt. Snyder, and he informed
me that I had better come with Couley, and appear
before a Military Commission, ~~or some other officer~~
~~who would be appointed, or detailed for the investi-~~
~~gation of such cases.~~ After Couley reported
to me the first time I told him that ~~if~~
he could go up home and I would write him when
he should come. I wrote to him, but there were no
mails up in that country. Capt. Snyder in his
communication stated to me that I had better
bring the affidavits of some officer that said Couley
was not, nor had not been discharged, I did so, and
secured the affidavit of Thos. Dawson then Capt. of Co. E.
45th Ky. Inf. Inf.

I William Cowley state that I am the identical
Wm Cowley who volunteered on the 30th day of October
1863. at Ashland Boyd Co state of Ky - in Co E
Commanded by Capt Tho^s Garrison in the 45th Reg -
Ky. Vol. Inf. I further state that on
the 9th day of October 1864 whilst the United States
forces, (under Command of Maj Genl Burbridge)
among which forces was the above company & Reg -
were between the Town of Pickett, and Pound Gap
on the way to Saltville in state of Va - I was
mounted with the rest of the command, the horse
I was riding became worthless, and was no longer
able to carry me, he having given out, I went to
~~the Colonel of the Reg~~ Capt Smith Adams of the
same Reg who was the commanding officer, and
after looking at my horse he told me that
I would have to ^{take} care of myself, that he could not
furnish me with any other horse. The troops were
skirmishing then all about us. I was instructed
to do the best I could, I had started towards Prestons-
burg Ky when, we had left a part of our forces
I had not gone more than two or three miles when
I was captured by the Rebels under Lieut Jones
of Col Ben Caudel's Reg - The our troops were near
me, when I was captured skirmishing along the
road as they were going on front. After I was
captured they took me to Camp Leatherwood, about
forty miles from when they captured me. I was sick
before we left Lexington, and was sick when I was
captured. I took the fever again it fell into my
back and hips and I could not walk for
more than two months, and staid at the house
of Mr J. H. Hall until I was able to get about

I then staid about with the neighbors being unable
to Travel, The Rebels were about then all the time.
A part of the time I was unable to walk, and then
was able to get about with the aid of a stick -
until during the month of November, and December
I began to get able to travel, and came down to
Cattletown at the mouth of Big Sandy River
and reported to E. B. Wise who was our 1st Lt, and
was informed that the company, and Reg was
mustered ^{out} of service. I gave my parole to Mr Wise and
he told me to go home, and he would try to get me
a discharge, and would write to me when he got
it. I went home and ~~it~~ did ^{not} hear from Mr Wise
and thought I would go again, I waited until
the ~~first~~ ^{eight} of April came. Then I went to Cattletown
- and then after some few days delay we
came to this city, when we arrived on Saturday -
morning April 21st 1866.

Act. Col. and Assistant Adjutant General

He would try to get me a discharge, and would write to me when he got it. I went home and did not hear from Mr. Hill, and thought I would go again. I waited until the eighth of April and then I went to Balltisbury - and then after some few days delay we came to this City where we arrived on Saturday morning April 21st 1866.

I William Conley state that I am the identical
W^m Conley who volunteered on the 30th day of October
1863 Ashland. Va to State of Ky in Co E Commanded
by Capt Chas Garrison on the 45th Ky Tol Inf - I further
state that on the 9th October 1864, whilst the United States
forces (under Command of Maj Gen Hubbridge) among which forces
was the above Company & Regt, were between the Town of Pittston
and Pound Gap, on the way to Saltville State of Va, I was
mounted with rest of the command, the horse I was riding
became worthless and was no longer able to carry me he having
given out. I went to Capt Smith Adams of the same Regt, who
was the Commanding officer, and after looking at my horse he
told me that I would have to take care of myself, that he could
not furnish me with any other horse. The troops were then skirmishing
all about us. I was instructed to do the best I could, I had started
towards Martinsburg Ky, where we had left a part of our forces, I
had not gone more than two or three miles when I was captured by
the Rebels under Lieut Jones of Col Am Candels Regt. Our troops
were near me when I was captured, skirmishing along the road as
they were going on front - after I was captured they took me to Camp
Heathwood about forty miles from where they captured me. I was
sick before we left Lexington, and was sick when I was captured.
I took the fever again it fell into my back and hips and I could
not walk for more than two months, and staid at the house of W^m
J. Hall until I was able to get about, I then staid with the neighbors
being unable to travel, the rebels were about there all the time, a part
of the time I was unable to walk, and then I was able to get about
with the aid of a stick, until during the months of November and
December 1865 I began to get able to travel, and came down to Bartlett-
burg at the mouth of Big Sandy River, and reported to C. C. Wise, who was
our 1st Surg, and who informed me that the Company & Regt was mustered
out of service. I gave my parole to W^m Wise and he told me to go home and

City of Louisville } 85.
County of Jefferson }

I Edward C. Hill state that I was the First Sergeant of Co E 45th Reg^t Vol^d Inf. of which Wm Conley was a private soldier, that on or about the 9th day of October 1863, whilst we were on the first Battle of said, said Wm Conley was missing, and as he had been sick we thought him either captured or that he had fallen behind and been picked off by the Rebel. Purshwacker, I saw no more of him until Wm Conley until he reported to me about the first of January 1866 at Gallegosburg Ky. I reported him to Capt. Cameron, and as we were mustered out of the service we would not do anything for him, as we had no authority. I reported him by letter to Col. Sidell and shortly afterwards I received a letter from Capt. Snyder, and he informed me I had better come with Conley, and appear before a Military Commission who would investigate his case. After Conley reported to me the first time I told him that he could go up home and that I would write him when he should come, I wrote to him but there were no mails up in that country. - Capt. Snyder in his communication stated to me that I had better bring the affidavit of some officer that said Conley was not nor had ever been discharged, I did so and secured the affidavit of Thos. Cameron late Capt. of Co E 45th Reg^t Vol^d Inf.

Ad. No. 45th Regt. Mounted Infantry Vols.,
~~Wm. H. Hester~~ Springfield Ky
September 11th, 1864

To the

Assistant Adjutant General,

Capt. of the 1st Regt.,

Kennett, Tenn.

Sir:

I have the honor to submit the following statement of my military history, and request my discharge as a private Co. (A), 42nd Regt. of Mounted Infantry Vols., to enable me to be mustered into the U. S. service, by virtue of a Commission tendered me by the Governor of the State of Tennessee.

I enlisted in Co. (A) 45th Regt. of Mounted Infantry Vols., on the 3rd of September, 1863, and was mustered into the U. S. service, as an enlisted man, on the 17th day of October, 1863, by John H. Hester, and served as such until the 6th day of February, 1864, when I was commissioned by the Governor of Tennessee, as 1st Lieutenant, Co. (D) 45th Regt. of Mounted Infantry Vols., which Commission was received

and accepted by me on the 10th day of February 1864.

I entered upon duty, by virtue of said Commission, on the 10th day of February 1864, a vacancy then actually existing in said grade, caused by the promotion of J. J. Matney as Capt of Co. H⁶ 43rd Regt. Mounted Infantry Col; at which time the strength of the Company was, in officers, Two; enlisted men, Eighty Four. It now has Two officers, and Sixty nine enlisted men.

I was last mustered for pay, as an enlisted man, to include the 31st day of December 1863, and last paid as such to include the 31st day of December 1863.

*(I was again commissioned by the Governor of _____ on the _____ day of _____, 186____, as _____ Co. () _____ Regt. of _____ Vols, which Commission was received and accepted by me on the _____ day of _____, 186____. I entered on duty, by virtue of said Commission, on the _____ day of _____, 186____; a vacancy then actually existing in said grade, caused by the _____ of _____; at which time the strength of the Company was, in officers, _____; enlisted men, _____. I was last paid as a commissioned officer by Major _____ to include the _____ day of _____, 186____.)

The reasons why I have not been discharged and mustered at an earlier date are as follows:

There was a previous application filled up and forwarded for my discharge the same was lost or mislaid at least never heard of any more

Very Respectfully,

Your obedient servant,

William P. Cooper
Private Co. (D) 45th Regt. of Mtd. Infy. Vols.

J. H. Wellingham Capt. Commanding the 45th Regt. of Mtd. Infy. Vols., do certify, on honor, that the statement above made by - Wm P. Cooper is correct.

Joseph H. Wellingham
Capt. Commanding 45th Regt. of Mtd. Infy. Vols.

This paragraph, or part of it, as the case may be, will be erased when not required

NOTE 1 - This application, together with the Commission, should be forwarded direct to the Act. Com. of Musters of the Division to which the Regiment belongs into which the applicant has been commissioned

NOTE 2 - When an enlisted man or officer receives a Commission or appointment, advancing him to a higher grade, and has not an opportunity of being mustered in, so as to appear on the next muster rolls as of the grade to which he is commissioned or appointed, he shall be mustered on the next muster for pay roll in his proper grade, according to previous muster-in, and a remark to the following effect made on the muster roll opposite his name: Received Commission (or appointment) from the Governor of the State of _____ in the _____ Regiment of _____ Vols., on the _____ day of _____ waiting muster-in since that date.

ARTICLES OF WAR.

ART. 55. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officer and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statement, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause, to what time he was last paid, and the money or other effects in his possession at the time of his decease, which report will be noted on the next master roll of the company to which the man belonged. Such inventory will be endorsed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____ the _____ day of _____, 186____." If a legal representative receive the effects, it will be stated in the report. If the soldier have no effects, the fact will be reported.

PAR. 134. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 135. In all such cases of sale by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____ the _____ day of _____, 186____."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all cases, one copy will be sent with a copy of the statement to the Adjutant General, and a duplicate retained by the officer.

NOTE 2. Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

17

Bra S. Strain
1st Reg't of Ky MT Art

VOLUNTEERS.

Dis. July 2, 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutter and Landrons must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

113.

OF
John C. Crain
 45th Reg't of *Kentucky*

VOLUNTEERS.

Disch Dec 25. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for book pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landress must be entered on the muster roll on which the discharge, dra't. desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or company, by proterment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93rd Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier is at a post or station absent from his company, it will be the duty of the immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the pay or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the soldier belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier has no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they can be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. FINAL STATEMENT

OF

Allen Dalton Private

45th Reg't of Ky Mtn Infy

D,
VOLUNTEERS.

Quit May 5. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the *Co.*, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is requested. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the *Sd Auditor* of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Supplies."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, other than the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier is in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

ARTICLES OF WAR.

ART. 54. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 54th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next master roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of delivery of the duplicate certificates; on these certificates the Soldier is entitled to his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwars must be entered on the muster roll on which the discharge, death, desertion, &c., is reported as well upon the final statement, otherwise the amount cannot be collected from the United States.

War Department,

Adjutant General's Office,

Washington, March 31st, 1865.

Sir:

In reply to your letter requesting a Descriptive List of George Ellen a Private in Company I, 45th Regiment Kentucky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

George Ellen a Private in Company I, 45th Regiment of Kentucky Volunteers, is 20 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 1st day of November, 1863, at the town of Ashtland in the State of Kentucky by W. B. Jones, and mustered into the service of the United States on the 30th day of November, 1863, at the town of Ashtland, in the State of Kentucky by Sam. E. Spencer, to serve for the period of 1. ONE years, including the war.

ACCOUNT OF PAY.

It is stated on the Musters Rolls of his Company for the months of dated February 14th 1865 that he was last paid by Paymaster Craig to the 31st day of August, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the same Roll he is noted Private Missing in action since December 22nd 1864

Very respectfully,

Your obedient servant,

Sam. E. Spencer

Assistant Adjutant General.

(7)

To Capt Charles H. Sticher 1st Major
Mustering Officer
Louisville Kentucky

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

ARTICLES OF WAR

ART. 82. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have permitted to their representatives for the same, have occasion to have the regiment or post, by pretense or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

REGIMENTAL COLUMN.

Par. 128. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 82d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station above from his company, it will be the duty of the immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid; and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Such inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 186—. If a legal representative receives the effects, it will be stated in the report. If the soldier have no effects, the fact will be reported.

Par. 129. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 130. In all such cases of sales by the Council of Administration, a statement in detail, or abstract of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased before these inventories are sent to the Adjutant General, their receipt therefor should be attached to the inventory sent to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

ARTICLES OF WAR.

ARTICLE 124. When any commissioned officer or soldier shall be, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by permission or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the regimental military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be preserved for, and paid to, their respective representatives.

ARMY REGULATION—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 125. Investigation of the effects of deceased non-commissioned officers and soldiers, regulated by the 96th Article of War, will be forwarded to the Adjutant General, by the commander of the company in which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the statement. When a soldier dies at a post or station abroad from his garrison, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death; in which report will be noted on the west master-roll of the company to which the same belonged. Such inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 1861. If a legal representative receives the effects, it will be stated in the report. If the soldier leaves no effect, the fact will be reported.

PAR. 126. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be deposited by a Colonel of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representative of the deceased.

PAR. 127. In all such cases of sales by the Paymaster, duly verified by the statement in detail, or account of the proceeds, duly verified by the Commanding and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____, regiment of _____, who died at _____, the _____ day of _____, 1861."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the representative of the deceased, before these inventories are sent to the Adjutant General, their serials thereon should be attached to the inventories. In all other cases, serials will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, and every receipt should be sent direct to the Adjutant General and not retained by the officer.

FINAL STATEMENT

OF

Priv Green Evans

45th Reg't of Indiana Vol

les E
VOLUNTEERS.

Disch Feb 14. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing amount, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement; otherwise the amount cannot be estimated from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

P. Elzy Franklin

45th Regt of Ky Mtd Inf.

"76"

VOLUNTEERS.

Dis. Oct 4. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account, and the receipt of these master rolls, and the Soldier's discharge, may be all shown that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are sent to the Adjutant General of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 51. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by permanent or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 50th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the Adjutant General, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and to money or other effects in his possession at the time of his decease; such report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be noted in the report. If the deceased have no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sale by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

PAR. 125. The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, a copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

PAR. 126. Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Dear Will

I wish you would order Lieut
Gates (the bearer) to proceed to Ashland Ky on
business the nature of which has been ex-
plained to him, to take with him one man
and report back to his Regiment in 10 days
from the date of your order. It is im-
portant on some account that he should go and
the ordinary military channels would delay the
matter too long -

Lt Gates brings down a band of Guerrillas
- the worst in the mountains -

Very truly yours

To Surgeon General
of the Army
Washington

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement; the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."
